# Career Exploration Guide

In today's world, the open employment market is becoming increasingly competitive, and for persons with disabilities, finding suitable employment opportunities can be particularly challenging. In response to this, there is a growing need for initiatives that aim to bridge the gap between persons with disabilities and the open job market and enable them to explore potential career opportunities. This objective is also in line with the EMP2030 target employment rate of 40%.

The current Singapore SkillsFuture (SSG) Skills Framework is designed for persons without disabilities, and our 'Career Exploration Guide' has been developed by referencing and adapting the SSG SFw Critical Core Skills (CCS) and aligning them with the Enabling Skills and Competencies Framework (Persons with Disabilities). Furthermore, the 'Career Exploration Guide' also offers a list of potential workplace challenges and corresponding accommodations that can assist individuals with disabilities in their employment.

By doing so, we hope to provide persons with disabilities with a more comprehensive and relevant skills framework to support their **job search and career development**.

# Development of the Career Exploration Guide

The 'Career Exploration Guide' was designed to address the disparity in employment rates among persons with disabilities. This guide highlights the key soft skills and possible challenges and accommodations required for typical roles across different sectors, to better align the interests and abilities of persons with disabilities.

**The following 35 sectors have been identified to be prevalent and emerging sectors:**

• Accountancy	• Aerospace	• Air Transport	• Arts	• Biopharmaceuticals Manufacturing	• Built Environment	• Design
• Early Childhood	• Electronics	• Energy & Chemicals	• Energy & Power	• Engineering Services	• Environmental Services	• Financial Services
• Food Manufacturing	• Food Services	• Healthcare	• Hotel and Accommodation Services	• Human Resources	• Infocomm Technology	• Intellectual Property
• Landscape and Urban Farming	• Logistics	• Marine and Offshore	• Media	• Precision Engineering	• Public Transport	• Retail
• Sea Transport	• Security	• Social Services	• Tourism	• Training and Adult Education	• Wholesale Trade	• Workplace Safety and Health

## a. Essential soft skills for work readiness

- ▶ The essential soft skills have been adapted with reference to the SSG SFw Critical Core Skills (CCS)
- ▶ Subsequently, it was aligned and mapped back to the Enabling Skills and Competencies Framework (Persons with Disabilities) specifically designed for individuals with disabilities

## b. List of possible challenges and accommodations

- ▶ The list of possible challenges and accommodations was listed down based on the domain of functioning (e.g., mobility)
- ▶ Sector-specific examples were incorporated

# Challenges and Accommodations Categories

 Challenges  
 Accommodations

## Workplace Accessibility

Challenges relating to physical barriers and limitations that hinder the accessibility of the workplace (e.g., Inaccessible entrances, narrow doorways, or lack of ramps)

# How to Read the Career Exploration Guide – Supporting Resources

## Supporting Resources

**For Persons with disabilities**

**For Employers**

**Target Audience**  
Available supporting resources for different stakeholder groups: Persons with Disabilities and Employers

### Assistive Technology Fund (ATF)

[SG Enable | Assistive Technology Fund \(ATF\)](#)

The Assistive Technology Fund (ATF) is a valuable resource for Singaporeans with disabilities, designed to empower and support their journey towards independent living. With subsidies covering up to 90% of costs for essential assistive devices, capped at \$40,000, the ATF is committed to enhancing the quality of life for persons with disabilities. Whether it's for acquiring new technology, replacing old equipment, or making necessary upgrades, the ATF stands as a beacon of hope, ensuring that financial constraints do not hinder access to tools that facilitate autonomy in daily activities. If you or someone you know could benefit from this program, consider the ATF as your partner in navigating the path to independence and self-reliance.

### Enabling Employment Credit (EEC)

[Ministry of Manpower | Enabling Employment Credit \(EEC\)](#)

The Enabling Employment Credit (EEC) is a government initiative designed to encourage employers to hire Persons with Disabilities (PwDs). Firms employing PwDs who have been out of work for at least 6 months will receive enhanced support. This is in addition to the existing wage offset for all PwD employees earning below \$4,000/month. With the EEC, employers can become champions of diversity and inclusion, contributing to a workforce that recognizes the talents and potential of about 10,000 PwDs annually. This credit serves as a resource for employers to not only enrich their teams but also to make a positive impact on the community by supporting the employment of PwDs.

# Summary of Sector and Functional Tracks

## ELECTRONICS

- a. [Technical and Engineering](#)
- b. [Management](#)

### **Note:**

1. We understand that besides the challenges already stated, the following barriers could potentially hinder persons with disabilities despite accommodations:
  - a. Lack of an inclusive workplace culture
  - b. Lack of awareness on how to interact with or manage persons with disabilities
  - c. Lack of knowledge on how to conduct job redesign - Employers can refer to the Enabling Skills and Competencies Framework (Employers) for guidance on the relevant skills to mitigate them.
2. The implementation of accommodations and the presence of essential soft skills required is not a key assurance of employment for persons with disabilities

- a. Provide and assist in checklists, calendars and planners to keep them on tasks (e.g., carrying out routine preventive maintenance works)
- b. Separate tasks based on priority and assign new tasks only when the previous one is completed
- c. Avoid changing processes too often or abruptly. If there are any changes, explain the changes in a clear and direct way
- d. Break information up and represent them in other visual forms (e.g., infographics, pictorial representations, and simplified diagrams depicting the standard operating procedures of maintaining cleanliness of machines during and after each shift)

### **Organisational Culture**

- a. Communicate and advocate for disability inclusiveness to external stakeholders (e.g. set, negotiate, and manage client expectations, discuss any concerns and adjust plans as necessary to align with client expectations)
- b. Promote an inclusive culture among employees/co-workers to facilitate relationships among all employees\* (e.g. incorporating inclusion-related values and competencies into employees, educating colleagues on reasons for accommodations so that they are not seen as special treatment or unfair distribution of tasks)
- c. Facilitate accessible and diverse staff bonding activities and office social events (e.g., providing alternative activities or modifications to physical events, ensuring venues are accessible)
- d. Providing accessible and more flexible recruitment opportunities (e.g. being flexible in structure of interviews, instead of fast-paced, back-and-forth conversational styles in interviews)

### **Technological Assistance**

- a. Provide the use of voice recorders to capture instructions and information

### **Workplace Accessibility Accommodations**

- a. Provide and/or arrange transportation to and from work

## For Persons with disabilities

### Assistive Technology Fund (ATF)

[SG Enable | Assistive Technology Fund \(ATF\)](#)

The Assistive Technology Fund (ATF) is a valuable resource for Singaporeans with disabilities, designed to empower and support their journey towards independent living. With subsidies covering up to 90% of costs for essential assistive devices, capped at \$40,000, the ATF is committed to enhancing the quality of life for persons with disabilities. Whether it's for acquiring new technology, replacing old equipment, or making necessary upgrades, the ATF stands as a beacon of hope, ensuring that financial constraints do not hinder access to tools that facilitate autonomy in daily activities. If you or someone you know could benefit from this program, consider the ATF as your partner in navigating the path to independence and self-reliance.

## For Employers

### Enabling Employment Credit (EEC)

[Ministry of Manpower | Enabling Employment Credit \(EEC\)](#)

The Enabling Employment Credit (EEC) is a government initiative designed to encourage employers to hire Persons with Disabilities (PwDs). Firms employing PwDs who have been out of work for at least 6 months will receive enhanced support. This is in addition to the existing wage offset for all PwD employees earning below \$4,000/month. With the EEC, employers can become champions of diversity and inclusion, contributing to a workforce that recognizes the talents and potential of about 10,000 PwDs annually. This credit serves as a resource for employers to not only enrich their teams but also to make a positive impact on the community by supporting the employment of PwDs.

## For Employers

### Employment Support Programme

#### [SG Enable | Employment Support for Employers to hire PwDs](#)

The Employment Support Programme for PWDs, backed by Workforce Singapore and SkillsFuture Singapore and administered by SG Enable, offers employers subsidies, grants, and services to aid in hiring and integrating Persons with Disabilities into their workforce. Employers benefit from up to 90% course fee subsidies, job redesign grants capped at \$20,000, and a year of complimentary recruitment and job support services, enhancing workplace inclusivity and leveraging the unique talents of PWDs. This programme is also aligned with the SkillsFuture Enterprise Credit scheme for additional financial support.

### Open Door Programme (ODP)

#### [MSF, WSG | Open Door Policy \(ODP\)](#)

The Open Door Programme (ODP), funded by the Ministry of Social and Family Development and Workforce Singapore, and managed by SG Enable, is a key resource for employers to support the employment of persons with disabilities. It offers grants for job redesign, training subsidies, and recruitment services, helping employers to create an inclusive workplace that values diversity and nurtures talent among persons with disabilities.

### Job Accommodation Network (JAN)

#### [Job Accommodation Network](#)

The Job Accommodation Network (JAN) offers guidance on creating inclusive workplaces through accommodations. It provides comprehensive A to Z listings by disability, limitation, function, and topic, with practical solutions like equipment modification, job restructuring, and policy adjustments. Employers can use JAN as a starting point to foster a supportive environment and ensure the success of their employees with disabilities.
